### a Man and a Wave

**The Wave** – your pulse comes from the heart of the earth  
your dance is as light as the clouds  
and as heavy as an unborn child  
in the belly of his mother  
wave – you come to embrace me  
your eyes are the endlessness of space  
and they see as far as you reach  
your body breaks into billions of drops in order to reunite  
just the same as honey melts in my mouth  
your yearning is my happy smile  
your untiring beat – my fist  
your unpredictability  
my destiny  
you never die  
never  
never  
the echo of my laugh breaks  
into thousands of drops  
the echo of my cry vanishes  
in the light of sunrise  
my steps - like lead  
are slightly  
wiped by  
your light body  
our conversation  
is heard by all mussels  
the fishes pass it on  
please keep my desires a secret in your dark depth  
do you see me  
I am right here  
a tear in your eyes  
do you see me  
now  
here I am again  
in love with you  
your dance, your body, your lust  
I am here  
open up your mouth  
and I will give you my breath  
open up your deptand I will come with you open up your eyes  
and look at me  
**I am here!**
