

**Inhabitants of France, Luxembourg and Belgium drive to the new motorway that connects these three countries White yellow and red car head-lights**

**LIGHT DANCE: ONE PERSON, ONE CAR, ONE LIGHT-BEAM.**

As the valley lost its shape in the dark, the dance of lights was to start. Car head-lights were to be switched on, penetrating the light beams visible in the smoke particles. **The light of 2000 beams stemming from 2000 car head-lights was to be made perceptible as motion, as a score.**
