Look at Consumer/Survivor/Ex-Patient Movement

make a work based on a real design  
to make a new Ego - This would be  
Designed based on the needs of 2 companies  
Does a model of a of an Ego exists  
specially made for a company or Cartel?

make an instant mini process work for  
you to change your personality and your  
ego - This would be a simulation of  
real process based on everyday life  
reality designed by politicians and  
entertaining industry

Propaganda /  
survivor  
make a work which will help an audience of a movie or a commodity to  
recover from it - This would be made as a  
test to find out the impact and preferably  
recovery -
