Dear Gisela

Please find following a copy of a letter just received by courier from Mr Ric Birch which is self explanatory.

It is regrettable that this is the end result after all the time and effort expended by all parties concerned. We at Barton Capital are equally disappointed with the response and have used our resources to ensure that Johannes Angerbauer's Golden Track proposal was presented to all the relevant parties concerned at SOCOG.

I will be speaking with [redacted] to see if there is any other avenue to try and arrange for a presence of Angerbauer's proposal in the Sydney 2000 Olympic Games, however, I am not confident in light of Ric Birch's response. Kindly pass on my comments to all concerned.

Kind regards  
Yours sincerely
